

**CHILDREN ARE SKIPPING CHRISTMAS
BUT ARE NOT CANCELLING IT?**

Children for Children in Hospital

Sponsored Skip – 2nd December 2020

Raising money for York Teaching Hospital NHS – Children’s Ward

Inspired by Santa trying to skip over a reindeer rope 77 times within one minute on Wednesday 2nd December 2020.

Rawcliffe Community Events Team (RCET) are challenging York’s children to do as many sponsored skips over a rope or hoop as they are able within one minute.

All money collected will go towards supplying TV’s on Trolleys for children that will be in hospital at Christmas or beyond.

We would like children to help children by sponsorship via this link:

<https://gf.me/u/y64p85>

Whilst developing your skills and having fun, whether indoors or outdoors, set your own achievable targets. An achievable target of 5 or 10 in one minute could be more challenging for a younger or less capable child as an older or fitter child achieving many more. That is the fun part, set your own target. Never forget, as you are unique and there is only one of you in this world – you get to set and surpass your own personal World Record.

**Challenge to be performed on
Wednesday 2nd December or sooner.**
